The painter Klaus Hinkel has been living and working in Frigiliana, a small white village above Nerja on the Costa del Sol, for over twenty years. He paints watercolours, acrylics and makes giclées ("original fine art prints") in small editions and artist quality. More than 150 postcards, several artprints and three books show his art. He has been a member of the "Asociación de Acuarelistas de Andalucía" for many years. In 2005 he was rewarded the "Duquesa de Alba", the andalusian award for watercolours.
